

# Ek Saath National Campaign- Participation of Men in Gender Equality 'Naye Daur Ki Nayi Baatein'

## Ek Saath Audio Stories 'Naye Daur Ki Nayi Baatein' brings Corona, Gender and Social Justice Together

Welcome to a new audio series by the Ek Saath Campaign – 'Naye Daur Ki Nayi Baatein', which picks up conversations among men on how to deal with the way the world has changed in the wake of the corona epidemic.

The audio stories address the intersections between the corona epidemic and the evolving health, information, survival, and gender challenges faced by women, girls, boys, men, and families. Each short audio episode deals with an issue of immediate and daily concern to communities. The capsules are informative, thought-provoking, and encourage social solidarity and community action safely.
